BIZASSIST is a program of Unlimited Future, Inc. that provides business education, access to capital, and support to aspiring and active entrepreneurs. BIZASSIST provides its clients with education and consulting services so that they may develop proper business practices in order to increase their chance of success. Knowing where you need to go, what you need to do and what your goals are is a very important part of owning a successful business. BIZASSIST will help you to know the critical steps you need to take so that you can make informed decisions about the direction of your business.

Training

BIZASSIST offers a variety of training that is geared toward helping aspiring and active small business owners. Some of the training topics are:

- Business Start-Up – the nuts and bolts of getting started the RIGHT way
- Writing a Business Plan – how to write a plan that will help you get funding
- What Business Should I Start? – how to determine the best business for you
- Marketing Your Business – tips and tricks to help grow your business
- How Much Capital do You Need?
- Businesses You Can Start for Under \$5,000
- Tax Issues for Businesses
- Accounting Requirements for Businesses
- Free Resources for Business Help

Check our website for training dates and to register for classes online!
